26th March 2008

Condobolin ~ 28th March 2008

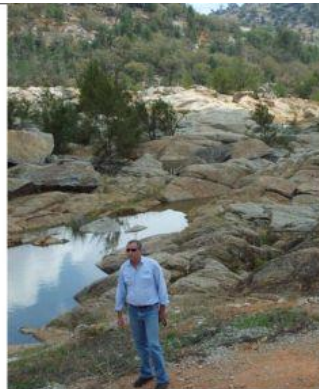

### 2008 Expo

I am writing to invite your organisation to participate in the 2008 Lachlan Aboriginal Agricultural and Natural Resource Management Expos. These expos have been developed through a funded partnership with the Department of Agricultural, Fishing and Forestry and the Lachlan Aboriginal Natural Resource Management Corporation (LANRMC). The selected venues and dates for the expos will be the 26<sup>th</sup> March in Cowra and the 28<sup>th</sup> March at Condobolin.

The expos will provide Aboriginal people with an insight into both Agriculture and Natural Resource Management industries. The LANRMC are currently looking for organisations to support these events by holding static displays that promote their organisation and provide Aboriginal people with information of employment opportunities in those respective industries.

The LANRMC will provide transport to Aboriginal people in communities around both locations with the expectation of over 300 people visiting the events over the 2 days. The events will also have several guest speakers, both Aboriginal and Non-Aboriginal, addressing Aboriginal employment issues and opportunities.

During the expos we will be staging outdoor presentations from Aboriginal people currently employed in an Agriculture or Natural Resource Management industry. These demonstrations will give Aboriginal people a realistic outlook of a career pathway and provide a greater opportunity to engage with presenters to obtain further information.

These events will be free of charge to all Agricultural and Natural Resource Management related industries, with tables and chairs supplied on request. Throughout the day there will be hot and cold food available at a small cost. We currently have Aboriginal people attending the expos from the following communities Goulburn, Yass, Gunning, Blayney, Orange, Canowindra, Young, Boorowa, Cowra, Forbes, Parkes, West Wyalong, Condobolin, Lake Cargelligo, Hillston, Hay, Ivanhoe and Balranald.

### Exhibitor Response

Yes I would like to display my business / organisation at the LANRMC Expo

Display Venue

- Cowra 28/03/2008  
 Condobolin 30/03/2008  
 Both Expos

Display requirements

- Number of Tables  
 Number of power points  
 Number of exhibitors
